

BBQ Grill House Rules:

First Come, First Served, but please do not overdo your time.

Bring your own utensils for cooking.

Remove, fold, and stow cover underneath; Replace once unit has cooled down.

When done, DO NOT leave anything behind.

Clean the burner only with the brush provided.

VERY IMPORTANT: TURN ON/OFF AS FOLLOWS:

Always open lid of the BBQ to light it, AND OPEN MAIN GAS VALVE TO THE BBQ GRILL

Turn Timer on full- 60 minutes-Please note location of timers:

Left BBQ - ON/OFF is on the bottom - Right BBQ - ON/OFF is at the top

To light: a) start with left side burner - light it by turning knob to IGNITE position, then pressing IGNITOR button until lit / Next do the middle burner / Then do the right burner.

Close the lid.

When finished cooking, AND THE POST-GRILLING BURN-OFF IS DONE, FIRST TURN OFF THE MAIN VALVE; LET THE BURNERS FLAME OUT, Then simply

turn burners off in any order

The Timers will turn off on their own- The main purpose of the Timer is to turn off the grill in the event someone forgets to come back in a timely manner to do so.
